

ABC CHINESE RANGE

ABC CHINESE RANGE

ABC Chinese Range is designed to meet today's highest standard for any fine restaurant that requires high-heat stove effective to obtain the unique "Wok Taste"

The ABC Chinese Range is available in variable length to fit any specification. Heavy-duty one piece seamless Stainless steel top with reinforced steel angles ensures durability, nice looking as well as easy cleaning.

ABC models are available with up to 12 holes in different wok holes sizing form 13" to 24" as follow: 13", 14", 16", 18", 20", 22", and 24".

Six types of burners to be selected to suit each cooking style:

Two - ring Burner	50,000 BTU/hr.
Three-ring Burner	100,000 BTU/hr.
Duck tip Burner	110,000 BTU/hr.
23 Tip Jet Burner	110,000 BTU/hr.
32 Tip Jet Burner	130,000 BTU/hr.
20 Tip Jet w/Cover	92,000 BTU/hr.

Water-cooled systems built-in to keep the stove clean and help reduce surface temperature. Two types of cooling systems offered: Top water cooled (Water flowing from perforated copper pipe with stainless steel cover, starting on top of the Back splash to stove top and to front trough, drained to floor sink), and Conventional water cooled system (Water flowing from front to back trough, drained to floor sink). Built-in faucets are available in Manual style and Automatic style.

Jet tip and Duck tip Burners are controlled by Knee level "L" shaped handle for easy control of gas. Three-ring Burners are controlled by two round chrome knobs.

One year limited warranty.

The equipment is to be installed to comply with Basic Plumbing Code of the Building Officials.

CSA and NSF Certified.
